INTEGRAL OBJECTS

- All walls on the course.
- The fence between the trees and the wall adjacent to the 6th putting green.
- Bunker linings in their intended position

GATES IN BOUNDARY OBJECTS

Any closed gate in a boundary fence or wall is part of the boundary object and so relief is not allowed. But an open gate is not considered part of the boundary object and so may be closed or moved into a different position.

NO PLAY ZONES

Any abnormal course condition or penalty area marked with a No Play Zone sign.

Rules 2.4, 16.1b and 17.1d

- Areas encircled by a white line, blue stakes or blue rope.

- A bunker marked by a single blue stake is a No Play Zone that is treated as GUR. Free relief must be taken outside the bunker.

Rule 16.1b

DROPPING ZONES

- A Dropping zone is marked by a green stake.
- The relief area is one club-length from the stake in any direction.
- You do not have to stand in the relief area.
- The stake is a movable obstruction.
- If an abnormal course condition is marked with a Mandatory Dropping Zone sign, you must take free relief in the nearest Dropping Zone.

PATHS AT THE 8TH AND 9TH TEES

You may drop a ball in the nearest Dropping Zone as additional relief from interference by the paths.

Rule 16.1b

MATS USED AS DROPPING ZONES

- Where an artificial mat is used as a Dropping Zone, the mat defines the relief area and you must place your ball on the mat.
- The mat is an immovable obstruction except when being used as a Dropping Zone.

MATS USED AS TEEING AREAS

The tee mat defines the teeing area. You must stand on it and play your ball on it when starting the hole.

Penalty: Loss of hole in match play. Rule 6.1b(2) applies in stroke play.

PROTECTIVE FENCE AT THE 4TH TEE

If the fence intervenes on your line of play, you may drop a ball in the nearest Dropping Zone without penalty unless

- the original ball is further from the hole than the higher Dropping Zone;
- it is unreasonable to make a stroke directly towards the hole;
- it would not be possible to reach the fence with the shot; or
- anything else makes a stroke impossible.

Rule 14.7a

OVERHEAD POWER CABLES

If it is known or virtually certain that your ball hit a power line on the course, the stroke does not count. You must play a ball without penalty from where the previous stroke was made. If you do not do so you get the **general penalty**.

PROTECTION OF YOUNG TREES

Young trees identified by a stake are no play zones. If your ball is on or touching the tree or the tree interferes with your stance or area of intended swing, you must take relief without penalty.

Rule 16.1b

IMMOVABLE OBSTRUCTION NEAR OR ON PUTTING GREEN

You may take relief if your ball lies off the green and an immovable obstruction is on the line of play, within two club-lengths of the putting green and within two club-lengths of the ball. You do not get relief if you choose a line of play that is clearly unreasonable.

Rule 16.1b

AERATION HOLES

You may take relief without penalty if your ball touches an aeration hole, but not for interference only to your stance. If the dropped ball touches another hole, you may take relief again.

If there is again interference by a seam, you must place your ball where it struck the ground after the second drop.

Rule 16.1b
