

CORHAMPTON GOLF CLUB

Dress Code Policy

Corhampton Golf Club wishes to provide a welcoming, modern and inclusive environment whilst maintaining the traditions and standards expected of a members' golf club.

Members, guests and visitors are therefore asked to dress appropriately on the golf course and all practice facilities and within the clubhouse. The Management Committee asks everyone to exercise common sense and good judgement in supporting these standards.

Should there be any doubt regarding the suitability of clothing, the Club reserves the right to refuse access to the golf course, practice facilities or clubhouse.

Formal Functions

For dinners, presentation evenings, match meals and other formal functions, members and guests are expected to comply with the dress code specified for that event.

Where no specific guidance has been issued, members should change from golf clothing into appropriate smart casual attire before attending.

General

The Club recognises that golf clothing continues to evolve and therefore seeks to apply this policy with common sense rather than excessive prescription.

Members, guests and visitors are expected to respect both the spirit and intent of the dress code. The Professional Shop, Club Secretary or Management Committee members will be pleased to advise where clarification is required.
