

Golfer/non-golfer competition on Sunday 2nd August

Last Sunday saw 26 golfers team up with 26 non-golfers for our ever-popular Annual Golfer/Non-Golfer Competition. The challenge was simple: golfers played every shot to the green, then handed over to their non-golfing partners, who took on the pressure of holing out. The winning team was decided by the highest Stableford points score, over 9 holes. There was also a prize for the fewest putts over nine holes (and the dreaded wooden spoon).

With glorious sunshine providing the perfect backdrop, there was plenty of laughter, friendly rivalry, and some surprisingly impressive putting on display! Everyone enjoyed a fantastic afternoon on the course, rounded off with a superb meal and great company—a fitting end to another successful and memorable event.

The winners are below:

1st place Chrissie Emmerson & Catrina Binnie
23 Points

2nd place Andrew & Sue Ramsey
17 Points

In joint **1st** place for the fewest putts were Hilary Costello (partnering Bob) and Kate Smith (partnering Dan Booth) with an impressive 17 putts over 9 holes

We are all looking forward to next year.

Mr Captain

A Special prize went to Jodie Read (partnering Harry Marsh)
