BURSARY DAY 2022

This year's event will be held on Friday, 10thth June and I am pleased to be able to offer you a Priority Application for your team in advance of the general publicity, which will be appearing in the Clubhouse in the near future.

This year's event will follow previous years formats, which proved to be popular with most players and led to very successful days. Therefore we shall retain the shotgun start, which means that all teams will finish at approximately the same time.

We hope that all participants will have an enjoyable day when everyone can enjoy a competitive game of golf, coupled with a friendly atmosphere. Due to prices increase generally, we have decided to raise the entry fee by £3 per player, making the total payable of £192 for a team of four. This competition is still one of the lowest priced entry fees for competitions of its kind in this area. We do hope to raise a substantial amount for our Junior Bursary Fund and so we would ask you to be as generous as you are able in your support of the various activities which will be arranged for the day, such as the Putting Competition, the Ball Sweep and the Auction.

If you would feel able to take part this year, please let me know that you would like to do so and then, when you are ready, send back the attached form giving me the details of your team. Please do this as soon as you are able so that records can be completed and the Bursary programme printed in advance of Bursary Day. This will also help to facilitate the smooth running of the event.

If you have any queries, please contact either James or Carole Robinson, or the Club Office, by telephone or e-mail.

Yours sincerely,

James Robinson,
Chairman,
Bursary Day Sub-Committee.
