Lady Captain's December Newsletter

Dear Ladies,

I hope everyone is well and looking forward to Christmas. Sadly our first winter Shotgun Competition was cancelled. We cannot blame Covid. This time the weather defeated us! However, thank you to everyone who came up to the club for lunch, there was a great atmosphere. A huge thank you to Rafa who made two delicious soups and some lovely scones. Presentations were made to winners of the competitions in October and November. If you were unable to attend the envelopes with voucher details are in the ladies' foyer.

Here are some dates for your diaries in December:

Defibrillator Training

Thank you to Gill Critchley for organising the on-line training that was led by Joanne from St John's Ambulance North West. It was very informative & very interesting. If you were unable to attend the first one there is another training session scheduled for **Thursday 9th December at 6pm**. It is very easy to access the training. If you would like to be included please email Gill at critchley.g53@gmail.com. I cannot stress more the importance of attending, you never know when you might have to use the practical advice that was so expertly shared at the session.

Thank you again to everyone for your donations and participation in all the charity initiatives this year:

Chris Massey & a group of gentlemen golfers played in Wales & have generously raised £160 for Diabetes UK by imposing a series of fines for various misdemeanours both on course & off course. I think I was only told the "clean" version of the penalties that were imposed! Thank - you gentlemen for your generosity.

Bridge

A reminder from Dorothy Rowland that you can play bridge on Wednesday afternoon from about 1pm. Any questions, just ask Dorothy.

DIABETES UK

To date Davenport Golf Club has raised the sensational sum of **£12,362.26** for this very worthy charity.

Thank you so much for your generosity.

Happy Christmas and very best wishes to all,

Linda x
