

## **Return to Golf - Monday 29th March 2021**

**In line with guidance from the Government and England Golf, the following document outlines the procedures in place when the golf course can re open.**

### **Group size and tee intervals**

Play will be allowed in fourballs at 10 minute intervals. 1st tee time is 7am

### **Tee reservations**

**Tee reservations must be made in advance and all players named on the reservation**

Tee times for the first week of re-opening - Monday 29th March to Sunday 4th April inclusive - will be available for online booking or via the BRS app at **7:30 pm on Monday 22nd March.**

We ask that all members show consideration to others regarding the number of times they arrange to play in the first week. Times will be monitored on Tuesday 23rd March and may result in bookings being cancelled if this request is not respected.

We hope that with the increase in daylight hours and play being allowed in fourballs, the difficulties and frustrations experienced in December will not be repeated.

Tee bookings for Monday 5th April and beyond will be bookable 7 days in advance and go live at 7.30pm.

### **Members Only**

To ensure members are able to secure times the course will be open exclusively to members in the first phase of opening. This will be reviewed on Monday 19th April.

Members will not be able to add themselves to bookings to respect those who may be shielding or have concerns about playing in larger groups. If you wish to be added to a booking please contact the member who made the reservation. **The exception is during competition times.**
