INTRODUCED TO CLUB BY: ……

If you don't yet have a CDH number (handicap ID), you'll need to complete an Induction Lesson with our Club Professional before playing the course. The session (**£56**), booked directly with the Pro Shop, can be taken as either one hour or two half-hour lessons. It's a simple introduction that covers safety and etiquette, helps you feel part of the club, and gives you confidence to enjoy your golf from the start.
