Thank you for your interest in becoming a member of Burnham on Crouch Golf Club. Enclosed is an application form along with some information about the membership options available at the club. I hope that one of these options will meet your golfing needs and that you will decide to join us here at Burnham.

The Club was founded in 1923 and became an 18-hole golf course in the early 1990s and boasts fantastic views of the River Crouch. We are a private members club, which means that the club is owned by its members. The members appoint a Board of Directors

who manages the affairs of the Club on behalf of the members and as we are a non-profit making club, all funds are directed back into the golf course and club house.

One of the main advantages of joining the Golf Club is that members have the luxury of playing golf as and when they like, as set out in the membership option that they choose, as we do not have to book tee times. There is a busy competition diary for men, women, seniors and junior sections. A social committee organises a range of entertainment and events throughout the year.

The clubhouse is open to members and their guests, providing a peaceful relaxing atmosphere after a round of golf.

We operate an Interclub Green Fee Scheme with other Private Members Clubs in Essex, enabling our members to play some of the best courses in Essex at a greatly reduced cost.

If you require any further information please call us and we will be happy to answer any questions or arrange a meeting.

Yours sincerely,
Ken Light & Simon Brierley
