

Ellesborough Junior/ Cadet Golf Afternoon.

Small Golfers, Big Competition

On 23rd August, eighteen of Ellesborough's Cadet and Junior members took part in their own golf competition, playing off the 11th tee. The group of varying ages and abilities went head-to-head under the summer sun. A wonderful example of competition as they all got involved and gave their best, all the while supporting and enjoying each other's company.

It was a pleasure to see our youngest members embracing the competitive and friendly ethos of Ellesborough Golf Club.

Congratulations to our prize winners in both the team and solo categories;

- *1st place* – **Lucy Smith, Max Turner and Noah Menarry**
- *2nd place* – **Jack Nagle, Owen Willis and Tommy Nagle**
- *Nearest the pin* - **Freddie Mackintosh and Noah Menarry**

All prizes were keenly contested, and our juniors should be praised for their performance and perseverance. Both first and second place teams were noted for how close their final scores were, with the final shots deciding the outcome.

Special thanks to Ryan and the catering team for providing the perfect end with some much-needed refreshments.

A huge thank you to the parents, guardians, and volunteers who helped make the event a success. Their support, encouragement, guidance and willingness to surrender their Sunday afternoon contributed to the fun and good-natured atmosphere of the event. Thank you also to our members for their understanding and patience while the 10th tee was closed during the competition, helping ensure a safe experience for our juniors. Well done to everyone who took part. Thank you again to all those who helped make this Junior/ Cadet Golf Afternoon such a memorable event. I would also like to thank my team: Karen Young, John Scheu, and Olly Thompson for their hard work, support, and commitment throughout.

We look forward to hosting more events like this in the future for all our up-and-coming junior golf superstars.

Keep an eye out for the next opportunity to get involved!

Zoe Ludlow

Junior Organiser
