

ELLESBOROUGH GOLF CLUB - ROLL-UP INFORMATION SHEET

The Constitutional 'Objects of the Club' are:

'to promote the game of golf and to create fellowship amongst the members'

Very much in harmony with this, there is an active roll-up scene at Ellesborough. A roll-up is when a group of men or ladies arrive at a regular time to play together but without having made any pre-commitments.

Roll-ups are open to all members. However, they do not have tee reservations and do not have priority on the starting tees. They must also comply with the starting times on the notice boards. Members not playing in roll-ups have equal rights with those that are.

It is hoped that by providing this information it will be easier for members to see when they can join in roll-ups and also, if not wishing to play in a roll-up, when the starting tees are likely to be least busy. The fee mentioned below may or may not include your first drink and or prize money. Please liaise with the roll up organiser for further information.

The members listed in the table below as points of contact would be happy to hear from you if you would like to arrange for someone to introduce you when you first play in a roll-up.
