

Oldmeldrum Golf Club

FIXTURE LIST

2026

The Oldmeldrum Golf Club

Please note that all competitions are released for booking on the BRS Tee Booking System, five days prior to the competition, at 9am. Please ensure that you book a time for play as this will avoid delays should the competition be busy. It is not good practice to turn up without booking as this merely causes inconvenience to those who have booked their time slot, and you may have to wait some time until there is a free spot.

JANUARY 2026

PROCEDURES FOR SUSPENSION OF PLAY/COURSE CLOSURE DUE TO BAD WEATHER

The procedures listed below are designed to avoid confusion surrounding suspension of play/closure of the course due to bad weather. The aim is three-fold.

Protection of the course from long term damage.

Keep the course playable for members as much as possible subject to above.

Protection of members in dangerous weather e.g. lightning

The ultimate responsibility for deciding on course closure lies with the Course manager or her deputy.

PROCEDURE

When golfers encounter problems on the course which prevents completion of a hole (e.g. hole completely surrounded by water) they should contact the Club Manager or Office. We will sound the klaxon which automatically suspends play for 1 hour. He shall then contact the duty greenkeeper who will attend and inspect the course. After inspection, the greenkeeper will decide whether to continue the suspension (for a maximum 2nd hour) or to close the course. If the course is closed then the competition will be abandoned, even if the course reopens later that day.

When the course is ready for play to resume, We will sound the klaxon and players shall resume their round.

In the event that no greenkeeping staff can be contacted, the professional shall attempt to make contact with one of the following Council members:

Greens Convenor

Match & Handicap Convenor

Captain

to attend and assess the situation and follow the above procedure.

IMPORTANT POINTS TO CONSIDER

On hearing the klaxon, players may mark their balls and leave the course, or if they are in the process of playing a hole, continue to hole out without delay (all members of the group must complete the hole). If they choose to continue, they shall discontinue after completing the hole. Continuing to play the next hole will result in disqualification. If however the suspension is due to thunder and lightning, players must mark or leave their balls and vacate the course immediately. (See Rule 6-8b).

INITIAL ALLOTMENT OF HANDICAP

To obtain a handicap a player must submit such a number of cards over 9 or 18 holes, with an expectation that the norm will be three 18-hole cards over the medal or yellow course.

However, any permutation of 9 and 18 hole cards may be submitted, but must total a minimum of 54 holes.

Oldmeldrum Golf Club | Fixture List 2026

The scorecards must be signed by an Oldmeldrum member who is in possession of a competition handicap and the cards should all be submitted within a six-month period.

If a player has a previous but lapsed handicap, the previous record may be taken into account when awarding a new handicap.

MARKING OF A CARD IN A COMPETITION

In a medal competition a card must be marked by a fellow competitor, or a marker deemed suitable by the committee. In the case of Oldmeldrum Golf Club a suitable person is a member, guest or visitor who holds a competition handicap.

Should a member wish to play in a medal group in order to submit a card in an effort to gain a handicap, then he/she must play in a group of three, where the other two players hold competition handicaps. This will allow the players playing in the competition to mark each other's cards and one of them to mark the card for handicap also.

For the purposes of clarity, if you do not hold a competition handicap then you cannot mark a player's card in a competition.

Description of Club Competitions

General Rules

Unless specifically stated below, all competitions will be played from the Medal Tees for men and SGL Tees for ladies. Men's Handicap Sections are defined as being for Members having playing handicaps on the day of competition of: - Sect. 1 - Handicaps 0 to 12, Sect. 2 - Handicaps 13 to 18, and Sect. 3 - Handicaps 19 to 28. Ladies Handicap Sections are defined by the ladies committee on an ongoing basis. For Handicap Competitions, player will use their course handicap. Juniors and Juveniles may play in Men's club competitions, except Matchplay competitions and those having alcohol prizes. For all competitions for which men and ladies are individually competing for a single trophy, there will be an adjustment in the lady's handicaps to allow for differences in the course ratings.

Gents and Mixed Matchplay competitions which finish level after 18 holes will be played to sudden death. A name MUST be entered on the competition sheet by the due date or both players will be disqualified.

Only in exceptional circumstances will extensions be given i.e. medical grounds. All requests should be made to the Match Secretary.

Men's Section

Club Championship:

Scratch - Total score of 4 rounds qualifying for Scratch. The Gents Champion Trophy for best overall scratch score. If there is a tie for first place there will be a sudden death play-off. All other tied places will be decided on a countback over the last 18 holes.

Handicap - Meldrum Motors Trophy for best overall handicap score. Competition to be played over four rounds on separate days. If there is a tie for first it will be decided on a countback over the last 18 holes.
