### 1 INTRODUCTION

Welcome to the Brickhampton Court Golf Club (BCGC) and our Welcome Pack. The purpose of this document is to:

- Introduce you to the Officers of the Club.
- Give you an easy step-by-step guide to gaining a Handicap Index or transferring your current Handicap Index to BCGC.
- Explain how to enter competitions.
- Detail how to put money on to your Competitions Account.
- Offer an overview of members activities.
- Link to other more detailed BCGC Handbooks and useful websites.

It is important to understand the differences between the Complex and the Club. Brickhampton Court is a commercially owned golf club. The Creed family founded the Complex in 1994 and are responsible for the maintenance of the Course, Driving Range and Clubhouse, the staffing of the Pro Shop, Driving Range, Clubhouse and Greens Staff. Membership fees are payable to the Complex to cover the costs of maintaining the Course and associated activities.

The Club is run by a team of volunteers, all of whom are members of BCGC. The Club is responsible for managing handicaps, running a wide variety of competitions for the members throughout the year, producing a Fixture List, offering a range of other golfing activities including interclub matches and social events.

Together, the Complex and Club work together to give you an exceptional golfing experience and have a well-deserved reputation of being one of the friendliest and most inclusive golf club in Gloucestershire.

As a member of the Club you will automatically be included in the Club insurance policy. For more details contact the Secretary.

### 3.1 HOW TO GET A HANDICAP INDEX

- 3.1.1 To be able to play in any of the competitions on the Spa Course at BCGC and in Open competitions at other golf courses, it is necessary to hold a Handicap Index (HI). Even if just playing socially with friends, it gives a level playing field when handicaps are used.
- 3.1.2 If you do not hold a HI, it is guite simple to get one. The process is as follows:
  - Play three 18-hole rounds of golf on the Spa Course.

- Play with someone who already has a HI.
- On a scorecard write your name, the date, your tee time and clearly at the top **FOR HANDICAP**.
- Your maker will write the total number of shots you have taken to put the ball in the hole on all 18 holes in Column A.
- On a separate card, you write the total number of shots you have taken to put the ball in the hole on all 18 holes in Column D.
- When you finish the round, agree the shots you have taken on each hole, total them at the bottom of Column A.
- Both the marker and player sign the card at the bottom.
- When all three rounds have been completed, staple all three scorecards together and place in the slot in the top of the lectern underneath the competitions noticeboard in the Pro Shop.
- 3.1.3 The Handicap and Competitions Secretary will collect the scorecards, process them, and will notify you of your England Golf (EG) membership number (formally CDH number) and your initial HI.
- 3.1.4 If you do not know anyone who holds a HI, contact your relevant Section Captain who will be more than happy to arrange a playing partner for you.

- 3.4.3 The software used to run competitions will also apply this calculation and can be seen when signing in to any competition.
