

PUTTENHAM GOLF CLUB

LADIES BETTER BALL, PAIRS OPEN – Thursday 7th September

Every year this event is growing in numbers and this year was no exception with 76 ladies from 32 different clubs travelling from near and far.

On arrival during their registration the ladies received an early morning cuppa and freshly cooked Danish Pastries and bananas to take on the course.

This year is the 60th Anniversary of the Ladies Section and to continue with our yearlong celebration of this momentous occasion at Puttenham, the entrants helped themselves to some 1960's sweet treats like Sherbert Dabs, Curly Wurlys, Caramacs, Dime Bars, Love Hearts, Blackjacks, Fruit Salad, White Mice and the like to take them back in time 😊

The day was dry and sunny with high temperatures of around 30c but the ladies coped very well and came in with some high scores to match the weather. In total there were 9 teams scoring 40+ pts! The average score was 38 & the winning score was an amazing 48! On reaching the Halfway Hut there were complimentary snacks, drinks and chilled bottles of water to take away.

On arrival back at the club house the ladies enjoyed a sumptuous buffet and a choice of 3 different desserts followed by Prize Giving
