

Puttenham Ladies Pairs 4BBB Open 2021

This year Puttenham welcomed 32 ladies from 13 different golf clubs on the 9th September.

Although the weather started out dull with periods of fine misty rain, it did brighten up and the course was in fantastic condition.

Our visitors enjoyed tea, coffee and Danish's on arrival and raved about the complimentary selection of refreshments at the halfway hut. Following the golf, they came into the clubhouse for their meal and presentations.

We raised £200 from the sale of raffle tickets on the day, all proceeds supporting the Lady Captain's Charity – Dementia UK.

We had some excellent scores with nine teams finishing with 40+ points
