Shooters Hill Golf Club I Notice

Local Rule

1st Hole – 242 Yards Par 4

[temporary forward tee]

Submitting a General Play or Competition Score –

The 1st hole being played from the temporary forward teeing area of 242 Yards Par 4 is deemed as a practice area when a player is submitting a score for general play or a club competition.

The hole should be marked as DNP [Did Not Play] on your scorecard.

This local rule will be removed once the adjusted slope and course rating is received from England Golf which will then permit the playing of the 1st hole for scoring purposes.
