# On Arrival At Panmure Golf Club

Panmure Golf Club is ideally located only 10 miles from Scotland's sunniest city, Dundee and we are within easy travelling distance from St Andrews and approximately one hour and twenty minutes from Edinburgh airport.

After leaving Dundee, please follow the A92, Arbroath road, eastbound and take the exit marked for Carnoustie. At the junction, take a left and drive for approximately 1.3 miles. At the roundabout, take the third exit onto Barry Road. At the next roundabout, take the second exit onto the A930 and in 0.2 miles, turn left onto Station road. Take the first right onto Burnside road and the Club is straight ahead.

An alternative route is to follow the A930 through Broughty Ferry and Monifieth.

There is a security barrier at the entrance of the Club, please simply drive up to the barrier and it will open automatically.

On arrival, please register at the professional shop, which is the separate building located behind the 18th green.

During check in, the professional team will provide you with our visitor scorecards along with further information to help your day, including guidance on the course, the pin position flag system and the distance markers.

We have recently installed new directional signage, with the visitor journey foremost in our minds, although we are on hand to guide you to the locker rooms, practice facilities or first tee.

The professional team will also provide you with the locker room access code which also works for the on course toilets, located beside the 4th / 16th tees and between the 6th green and 7th tee.

# The History Of Panmure Golf Club

Pictured: 4th hole, Ravensby

We are very proud of the Club's history and rich heritage, where 17 gentleman came together to form Panmure Golf Club in May, 1845. The Club's name and logo come from the close connection with the Maule Ramsay family and to this day, the Rt. Hon. Earl of Dalhousie is the Club's Honorary President.

Games of golf have been won and lost over the links at Panmure for a very long time. In 1527, it was reported in the Registrum de Panmure that Sir Robert Maule "exerciset the gowf, and oftymes past to Barry lynkes, quan the wadsie was for drink"

We are one of the oldest golf clubs in the world and are one of the 24 clubs that originally helped purchase the Amateur Championship trophy, first played for in 1885. A copy of the R&A minute is on display in the Clubhouse, which states all of the Clubs involved.

We will be delighted to provide you with a historical tour of the clubhouse facilities, highlighting the Club trophies, which includes the long nosed silver club, dating from 1845. Please let us know in advance if you would like a historical tour of the Club.

# The Great Hogan at Panmure

In 1953 Ben Hogan won his one and only Open Championship at Carnoustie Golf Links. This would be his final major victory and the only time he would ever visit Scotland. The man known as the 'Wee Ice Mon' by the Scots cemented his legendary reputation thanks to the help of Panmure Golf Club.

The great Hogan spent two weeks at Panmure, accompanied only by his caddy, Cecil Timms to acclimatise to the terrain of links golf and to acquaint himself with the smaller 1.62 inch British ball.

Hogan would never play in the Open again, but his legacy at Panmure remains! The sixth hole, a 414 yard par 4, stroke index 1, is named after the great man. Hogan suggested the addition of the cleverly-placed hidden pot bunker to the front right of the green. Over sixty seven years on, the members still refer to it as "Hogan's Bunker".

# Food + Beverage Services at Panmure

No visit to Panmure is complete without time spent in our iconic and unique Clubhouse.

Our Clubhouse is one of the finest old golf buildings in Scotland, it's unique and atmospheric lounges are full of character and historic style.

Devotees of the history of golf will be interested to know of our origins, borne of the close trading relationship between Dundee and Calcutta in the halcyon days of the Jute Industry. This exceptional building was modelled, both architecturally and spiritually, on Royal Calcutta Golf Club.

The Clubhouse offers a varied range of dining options, with friendly and attentive staff presenting good food and wine to complete your day. If you have specific dietary requirements, please let us know in advance.

Breakfast is served daily from 9.00am, with a fantastic selection of locally sourced produce. Private dining is arranged on a bespoke basis, or you are very welcome to order from our daily Hogan menu.

The uniquely charming lounges provide three different dress code options (the full dress code is available to view on the Club website). The 19th hole is the casual bar, perfect for a post round beverage, with Kümmel or a great Scottish malt, always ready to be poured.

The Hogan lounge is smart casual and our trophy cabinet is on view, with a number of prizes dating from 1845 and finally, our formal dining area, the Dalhousie room requires jacket and tie.

The recently renovated visitor changing room, including clothing lockers are at your disposal along with the shower facilities.
