

We Look Forward To Welcoming You To Panmure

Here Is Some Helpful
Information For Your Visit!

On Arrival At Panmure Golf Club

Panmure Golf Club is ideally located only 10 miles from Scotland's sunniest city, Dundee, and we are within easy travelling distance from St Andrews and approximately one hour and twenty minutes from Edinburgh airport.

After leaving Dundee, please follow the A92, Arbroath road, eastbound and take the exit marked for Carnoustie. At the junction, take a left and drive for approximately 1.3 miles. At the roundabout, take the third exit onto Barry Road. At the next roundabout, take the second exit onto the A930 and in 0.2 miles, turn left onto Station road. Take the first right onto Burnside road and the Club is straight ahead. An alternative route is to follow the A930 through Broughty Ferry and Monifieth.

There is a security barrier at the entrance of the Club, please simply drive up to the barrier and it will open automatically during the hours of 6.00am to 6.00pm.

Upon arrival, kindly leave your clubs at the designated bag drop area and proceed to the professional shop, which is situated in a separate building behind the 18th green.

We would recommend arriving a minimum of 1 hour before your tee time, which will provide enough time to check in and enjoy the Club facilities in advance of your tee time.

During check in, the professional team will provide you with information to help your day, including guidance on the course, the pin position flag system and the distance markers.

With the visitor experience foremost in our minds, there is directional signage throughout the Club, but we are on hand to guide you to the Club rooms, locker rooms, practice facilities and first tee.

The professional team will also provide you with the locker room access code which also works for the on course toilets, located beside the 4th / 16th tees and between the 6th green and 7th tee.

The History Of Panmure Golf Club

We are very proud of the Club's history and rich heritage, where 17 gentleman came together to form Panmure Golf Club in May, 1845. The Club's name and logo come from the close connection with the Maule Ramsay family and to this day, the Rt. Hon. Earl of Dalhousie is the Club's Honorary President. In addition, our links to royalty also includes King George VI, who accepted honorary membership of the Club in 1930.

Games of golf have been won and lost over the links at Panmure for a very long time. In 1527, it was reported in the Registrum de Panmure that Sir Robert Maule "exerciset the gowf, and oftymes past to Barry lynkes, quan the wadsie was for drink"

Panmure is the world's 21st oldest golf club and moved to our current site in Barry in 1899. The original layout was designed by Old Tom Morris and constructed by R. Duff of Edinburgh, who also built the New course at St Andrews and Muirfield. Many of the original holes remain.

We are one of the 24 clubs that originally helped purchase the Amateur Championship trophy, first played for in 1885. A copy of the R&A minute is on display in the Clubhouse, which states all of the Clubs involved.

Five-time Open champion James Braid gave suggestions for modifications in the 1920s and those were among the most significant changes over the past century.

Some of the charming characteristics include holes designed by these greats. Braid's par-3, 180-yard 9th hole, with its undulating green protected by large bunkers and dunes and Old Tom's par-4, 396-yard 12th hole which requires an accurate approach shot to carry the Buddon Burn guarding the front of the green.

Today the course measures 6,551 yards, plays to a par 70, and combines the best elements of links and heathland, with tight fairways, challenging carries and undulating greens.

Panmure has hosted many prestigious championships over the years ranging from national amateur tournaments to final qualifying for The Open Championship. Recently, the club has hosted regional qualifying for The Open, the R&A Girls Amateur Championship, final qualifying for the AIG Women's Open and the stroke play qualifying for the R&A Boys Amateur Championship.

We will be delighted to provide you with a historical tour of the clubhouse facilities, highlighting the Club trophies, which can viewed in our Hogan lounge. In addition, the Captains' silver clubs are proudly displayed, which includes the long nosed club dating from 1845. During our annual dinner, the Senior Past Captain presents the new Captain with a silver ball, which is attached to the silver club.

The Great Hogan at Panmure

In 1953 Ben Hogan won his one and only Open Championship at Carnoustie Golf Links. This would be his final major victory and the only time he would ever visit Scotland. The man known as the 'Wee Ice Mon' by the Scots cemented his legendary reputation thanks to the help of Panmure Golf Club.

The great Hogan spent two weeks at Panmure, accompanied only by his caddy, Cecil Timms to acclimatise to the terrain of links golf and to acquaint himself with the smaller 1.62 inch British ball.

Hogan would never play in the Open again, but his legacy at Panmure remains! The sixth hole, a 414 yard par 4, stroke index 1, is named after the great man. Hogan suggested the addition of the cleverly-placed hidden pot bunker to the front right of the green. Over seventy years on, the members still refer to it as "Hogan's Bunker".

Our Clubhouse

No visit to Panmure is complete without time spent in our iconic and unique Clubhouse. Our Clubhouse is one of the finest old golf buildings in Scotland, its atmospheric lounges are full of character and historic style.

Devotees of the history of golf will be interested to know of our origins, borne of the close trading relationship between Dundee and Calcutta in the halcyon days of the Jute Industry. This exceptional building was modelled, both architecturally and spiritually, on Royal Calcutta Golf Club.
