NUMBERS

Any visiting party of 12 or more players is classed as a society, receiving a discounted green fee. **This is the minimum amount of people you will be charged for.** Any visiting party of less than 12 players may book their game of golf through the Professional Shop paying casual green fees.

In order to allow our staff to prepare for your society visit, we ask for society organisers to provide our office staff with a final confirmation of numbers no less than two days prior. This number will be the minimum number you will be charged for.

We ask for our Society organisers to settle their invoices prior to leaving the golf club on the day of their visit. An invoice for the day will be available at the Bar and payment can be made by cheque, debit card or cash. In respect to our members and other users of the golf course, we kindly request our society members to be fully aware of normal course etiquette and complete their rounds in no more than 4 hours. Individual play as four balls is not permitted unless used in a greensomes or foursomes format.

CAR PARKING & SECURITY

Visitor parking is available at the rear of the car park, adjacent to the Pro Shop. For security purposes, please ensure that valuables are not left on show in your vehicle. No responsibility is accepted for loss of property whilst in the Clubhouse or on the course.

A 4-digit code will be supplied to you on the day for entry to the locker rooms and to exit the car park security gates after play.
