MERCHANTS OF
EDINBURGH
GOLF CLUB

Get into Golf (GiG) is for anyone, ladies or men, who would like to learn to play, may have played a little before or are returning to golf.

GiG is a two year programme, but you can choose to do only one or both years.

Currently the fees are:

Year 1 £300

Year 2 £450

You can pay fees by monthly direct debit or in full.

By year 3, or before, we hope that you will be enjoying the game enough to become a full member.

The Year 1 & 2 fees allow you to play unlimited golf on the first 9 holes when the course is quiet. This includes most afternoons and evenings.

There will be 6 group lessons included, with a maximum of 8 per group.

For 2026 the group lesson dates are still to be determined, however, you will be given the choice of either a weekday or weekend slot. The group lessons take place late afternoon or early evening and last for 1 hour.

Lessons will start at the beginning of April and run for four consecutive weeks, following which you will be offered two further lessons later in the season, normally early to mid September.

There are clubs and golf bags which you can borrow and use of the practice area to the left of the clubhouse is encouraged at any time.

Any sensible weather appropriate clothing is allowed.

You are also welcome to use the clubhouse, bar, dining facilities, attend social functions and bring guests.

Our *GiG* programme is co-ordinated by a small team of volunteer members who will assist you as much as possible.

When you enrol for *GiG* you will be met and shown around the club facilities and course.

Most importantly you will be introduced to other members, in particular fellow *GiG* players to allow you to practise and play together.

Thank you for your interest.
