The Secretary reported that he had obtained the necessary Sanction from M<sup>r</sup> Kenworthy for the proposed alteration to the Club premises.

The Ladies Committee had considered the plan of the proposed alterations and forwarded a letter giving their views and this was read. The chief suggestion was in regard to making a doorway from the proposed Ladies Lavatory into the yard at the back; this was discussed and it was agreed that there were many difficulties in the way and that it would prove of very little advantage. It was decided that the secretary write the Ladies pointing out the objections and difficulties.
