The Meeting was called to receive the resignation of the Steward and Stewardess M^r & M^{rs} Sangster.

The Secretary reported that M^r Sangster had asked to be relieved of his duties in a fortnight, to take up another appointment. It was decided that Mess^{rs} Raines, Ridyard & Gibson interview the Steward to ascertain the exact position and point out that the terms of engagement were a month's notice either side. M^{rs} Sangster was seen and the position clearly explained and she stated that she would be prepared to carry on until the completion of the notice viz: - 1 month, providing that M^r Sangster could be released in a fortnight, otherwise they would lose the position.

The Committee decided to agree to the above arrangement providing that proper provision was made for the carrying on of the work under the direct personal supervision of either M^r or M^{rs} Sangster for the second fortnight as per the requirements of the House Secretaries and the Secretary.

It was decided to advertise the position, the same to be left with the Secretary
