

Special General Committee Meeting Thursday Feb^y 2nd 33.

Present: J Kershaw in the Chair.

Mess^{rs} R Bennett, F Moss, E S Jones, H Ridyard, J Taylor, H L Boardman, R Wood W H Andrew and J Gibson.

The Meeting was called to go into the question of the revision of the Scratch Score of the Course as per the National Handicapping Committee System.

The whole question was carefully considered and finally it was agreed to accept the draft as read by the Handicap Secretary which will it is expected bring the scratch score to 70 as against 71 previously and to submit same to the Nat. Handicapping Cmte.

One other item was discussed viz: - the question of Motor Traction, and it was agreed to leave the question over until the Annual Meeting on financial grounds, therefore there was no necessity for the Sub-Committee to make an inspection of different makes of motors as had been arranged.
