The suggestion in the Suggestion Book signed by a number of members asking for 200 yard distance markers at long holes was considered and the following reply was drafted and approved. If the idea of this suggestion is that 200 yard marks be placed at all holes over this length in order to help the golfer in making his next shot, the Committee consider that this adventitious aid to play is not in the spirit of the game. If the idea is to allow the golfer to gauge the average length of his drive as a matter of interest to him, then the Committee is quite willing to place such marks on the 2nd 4th 14th and 15th and 18th fairways and propose to do so.

The Minutes of the House, Handicap and Greens Committees were taken as read.

Several matters in connection with the Open Mixed Competition were discussed and it was decided that the Captain, Secretary and two ladies purchase the prizes.
