Secretary's Report – March 7th 1964

Mr Captain, President & Gentlemen,

I have pleasure in presenting my Annual Report and can assure you that it is very gratifying to know that the finances of the Club are good and that we are in a sound position.

The Financial Statement submitted by the Treasurer has been accepted by you and Mr Butlin's detailed explanation of the Income and Expenditure leaves nothing to be added by me except that our warmest thanks be extended to Mr Butlin for his efficient and valuable services to the Club.

Our thanks also to Mr Jeffs and Mr Carter for the able manner they have carried out the audit of the Treasurers accounts

It is usual at this meeting to express our thanks to the Secretaries of the various sub-committees. This year as in the past the House Committee, Handicap Committee Greens Committee and Social Committee have done excellent work and we are indebted to Mr Cooper, Mr Dale, Mr Greaves, Mr Lees and Mr Greenhough for the time and energy and thought they devoted to the interests of the Club.

The Calendar sub-committee has again arranged an interesting list of events for the coming season and again we are looking for the same support which has been given by members in past years. In this connection our thanks are due to the many donors of prizes which makes such attractive list of fixtures possible.

I think everyone will agree that the course was in a better condition last season than for many years. We can reasonably expect the course will again be in excellent condition during the coming season.

The General Committee have met every month and the attendance well maintained, and I can assure you that the affairs of the Club are all in good order.

Our sincere thanks are due to the ladies for the valuable assistance they have given and their interests in the social events of the Club.

I wish to add my personal thanks to all who have so willingly helped me during the past year.

The Captain and members of the Committee greatly appreciate the support received from the members generally, and once again are looking forward to another enjoyable Season with good fellowship at the Ashton Golf Club
