

WGC Golf Club Guidelines

Below are current coronavirus guidelines for attending the club (against the normally expected etiquette).

- We would prefer you to arrive 15 minutes before your tee time
- We request players change their shoes in the car park to reduce changing room use
- You must enter through the arch between the clubhouse and men's changing rooms
- You must exit after your round between the pro shop and practice nets to access the car park
- The putting green is open and social distancing guidelines should be adhered to
- All the practice nets are open, please use your own balls
- The pro shop is open - anyone entering the shop should be wearing a face covering.
- Anyone walking or standing in the clubhouse or locker rooms must wear a face covering.
- The changing rooms are open until the bar closes each day for toilet facilities and to collect clubs. Please avoid changing your shoes and clothes in the changing rooms
- On the course please do not touch the flag sticks. Please use your club or foot to smooth over any bunkers you may visit
- Tee times are bookable through the ClubV1 app 8 days in advance, tee times go live at 6pm each day
- You must book a tee time through the app, members hub on the website or by calling the pro shop or office even if it's only 15minutes prior to your tee time
- Visitors are able to book from 12:30pm Mon-Thurs and from 2:30pm on a weekend. Currently no visitor green fees on a Friday
- The bar will be closed whilst we are in Tier 3 from Saturday 19 December 2020.
