

How does the Academy programme work?

- We work with you to place you on the level of the Academy that will best suit you
- During the programme, you will be introduced to the various aspects of the game - putting, chipping, pitching and long game.
- You will also learn about basic etiquette and rules that will be handy when you reach the course, giving you the confidence to enjoy your surroundings.
- An assessment by the Professional Team who will be able to place you on the next level that suits your progress.
- You are on your individual pathway to being a full member and enjoy the benefits of such.

“

One of the best courses in Hertfordshire if not the best.

Would recommend it to anyone.

The standard of the course to management is second to none.
