### Booking Notes:

- Only the person booking the tee time can book and pay for a buggy
- If you did not make the tee time booking and wish to add a buggy, please remove your name from the tee sheet and re-book, this will then give you the option to book services
- If you try and add a buggy onto your booking at a later date you will receive an error message when paying, if this happens, please cancel your original booking and rebook your tee time and add on your booking.

**When you return the buggy please lock it to the buggy barrier. You will appreciate the need to lock the buggies to ensure they are not stolen as has happened in previous seasons. Therefore, any member who fails to lock up their buggy will face appropriate action which will include an immediate ban on hiring buggies. Please also remove any rubbish from the buggy and place in one of our litter bins, leaving it tidy for the next member to use.**
