

It will be an honour to be Lady Captain at Stoke Rochford golf club for a second time, I have not been a member for very long, but the ladies and everyone here at Stoke Rochford golf club have made me feel so welcome. It is a growing club and ladies section and is building from strength to strength, with everyone supporting each other along the way.

It has been a great pleasure to work alongside Pauline Haggerty as her Vice-Captain, she has done a brilliant job over the last year as the Ladies Centenary Captain in such a busy year for the club, she should be proud of herself and leaves me a tough act to follow.

I will look forward to the year ahead working with the committee and all the ladies within the section, with the aim to thrive and grow, Golf is a fun and social game and we will work to build on that.

Club Captain Tom Greenfield and myself will be both supporting Nottinghamshire and Lincolnshire Air Ambulance as the chosen charity. They are a local charity that do a fantastic job in some very tricky circumstances, having spent sometimes at their head office, I have a deeper insight in how they work and the help they need as a charity.

I would like to thank the club, committees, greenstaff, clubhouse staff and pro shop for all their hard work to make this club the outstanding club it is and we should be proud of.

I am looking forward to working alongside Club Captain Tom Greenfield and representing the club this year.

I would like to wish you all an enjoyable golfing year ahead.
