

Society & Group Health & Safety Information

- Please ensure all members of the society have familiarized themselves with local rules stated on the scorecards.
- Please read and follow all signs on the course.
- Please take care when attempting to retrieve golf balls from the water hazards, Banks can be steep and may cause you to slip. Flotation rings are situated at deep water areas.
- Please be aware of the vehicles and pedestrians along the road way through the course.
- Beware of other golfers and also beware of golf balls from players following you.
- Watch out for varying slopes on tees and greens.
- Beware of low branches when entering wooded areas.
- Take care when driving buggies and read instructions displayed within the buggy.
- Please note there should be no consuming of alcohol when hiring a buggy.
- Please keep buggies out of the meadow grass and away from short grass near tees and greens.
- Keep to the paths wherever possible.
- Please respect fellow golfers when using the practice facilities.
- In the event of an accident or emergency first aiders and staff are available on 01476 530218 or 01476 530275.

Thank you
