14th	12	12
15th	2	2
16th	11	11
17th	14	14
18th	6	6

### A few things to be aware of

a)	New scorecards are on order but will not arrive until w/c 9th March; White, Yellow, Green & Red courses will be shown
b)	From 1st March continue to use the existing physical scorecards but be aware of the SI changes on the Orange & Red courses
c)	Use the QR code shown above to access our online handicap calculator, this should automatically update on 1st March to reflect the new CR, SR, Par & SIs for each course
d)	Weather permitting, the Orange course will still be available for competitions & casual rounds submitted to WHS on Fridays, Saturdays & Sundays, be sure you know where you do and don't get a shot from 1st March, the Red course will also be available for Ladies as usual
e)	Labels showing the new SIs are on order for the 7 affected tee boards, we will not replace the full signage details on all tee boards for approx 12 months as changes will be made to the Orange course before next winter
f)	For next winter a separate card showing Orange & Red will be available
