

# Centenary Trophy

18 Hole Greensomes Gross Stableford Competition - White Tees

(60% of Lower Course Handicap) + (40% of Higher Course Handicap)

***The Twist: Captain's Handicap String – rather than shots handicap will be given in the form of string which can be used to move the ball.***

- *Each pairs handicap will be converted into string – 1 foot for each stroke*
- *The string can be used on any hole to move the ball up to the length of the string*
- *Once the string has been used, the length used to move the ball is cut off the string and discarded.*
- *The following are all examples of what is valid*
  - *Using string to hole a putt (amount used should be from edge of cup to ball)*
  - *Moving the ball closer to the hole*
  - *Moving the ball in the rough, out of a bad lie or away from a wall*
  - *Moving the ball out of a hazard (eg bunker, water hazard or back in bounds)*
- *If there is a pair that has a handicap of scratch or 'plus' all pairs will be rebased, so the lowest pair gets 1 foot of string*

FYI

- *The string can be collected from the starter when you pick up your card.*
- *Each tee time can also pick up a pair of scissors from the starter. (Please return these when handing in your card)*

*While string can be used on the 4<sup>th</sup>, 15<sup>th</sup> and 16<sup>th</sup> for the Stableford competition, the original position of the ball counts towards the nearest pin and longest drive prizes.*
