

Golf Genius Introduction

For competition management North Berwick will be moving from the "Intelligent Golf" platform to "Golf Genius".

At Tantallon we will continue to use Club V1 and HowDidIDo for our competition management. For Tantallon members that wish to play in the All-Club competitions run by North Berwick - such as All Club Sunday Medals, Wednesday 9-Hole Medals & Burns Shield - they will require to use the "Golf Genius" system. The first competition to use the new system will be the Burns Shield on 29th March 2025 with entry opening on Saturday 1st March.

Tantallon members should have received an email with the subject line "*You have been registered to the Master Roster of North Berwick*" from the "noreply@golfgenius.com" email account, it relates to setting up your Golf Genius a/c. If you have succeeded in setting up your a/c great! If not please contact Mike Wallace (MatchSecretary@TantallonGolfClub.co.uk) and he will pass details on to North Berwick.

Golf Genius Platforms

Golf Genius is available on multiple platforms:

- Web Interface – ww.GolfGenius.com
- iPhone – download here <https://apps.apple.com/us/app/golf-genius/id555651262>
- iPad – download here <https://apps.apple.com/kn/app/golf-genius/id555651262?ign-mpt=uo%3D2>
- Android – download here https://play.google.com/store/apps/details?id=com.golftripgenius.android.leaguegenius&feature=search_result&pli=1#?t=W251bGwsMSwyLDEsImNvbS5nb2xmdHJpcGdlbml1cy5hbmRyb2lkLmxlYWd1ZWdlbml1cyJd

See below for navigation information and various screen shots for some of the platforms

The Smartphone / Mobile App

Please note a mixture of West Links specific and Golf Genius generic screens are used below

Logging into the Mobile App:

To use the App, players must login using an email and password.

Once a player registers and downloads the app, they can sign in using their email and password (as shown below).

Using the Mobile App:

Once a player is signed in, they will land on the Club App Home Page. On the home page, players will have quick access to their handicap index, today's events, general play score posting, a customizable menu bar with access to their profile, competition, and other pages (as shown below).

The Club App's homepage is where players will have access to the most current information about themselves and the club.

Club Details:

On the homepage, if a player is on the master roster of several clubs, they can quickly change between each club using the drop-down next to the Club name (as shown to the right).

Today's Events:

If there is an event on that day, the player can register, check-in, enter scores, and view the live leaderboard for that event, (as shown below).

If there is an event that day, there might be a few status choices:

- **Register:** Players can click Register to participate in that event.
- **Check-in:** When a player arrives at the club and is ready to play, they can press "Check-in". This will inform the Event Manager that the player has check-in for this round.
- **Enter Scores/Results:** Once players have checked in, they will be able to enter scores if mobile score entry is being used.

General Play: (This feature will be coming shortly)

Players can enter scores for general play at the club to be posted to the WHS, (as shown below).

Menu Bar:

Players will also have access to a host of other items in the customizable menu bar (as shown below).

The screenshot displays the mobile app interface for North Berwick Golf Club. At the top, the club's crest and name are shown, followed by a location dropdown set to 'North Berwick'. The main profile section features the name 'Mike Wallace' and a 'Handicap Index' of '9.9'. Below this is a large white box with the text 'No events today'. Two buttons are visible: 'Upcoming Events' and 'Course Handicap Calculator'. The interface is powered by 'Golf Genius'. At the bottom, a menu bar is highlighted with a red border, containing icons for 'Home', 'Directories', 'Results', 'Profile', and 'More'.

Directories

Clicking on the 'Directories' button on the menu bar (see button circled in red on left hand screen below) will launch the options as shown in the right hand screen below.

Selecting a directory will give access to relevant competitions for entry / viewing. For example, the relevant ones for Tantallon members are:

- All Clubs – this will display competitions such as the Burns Shield, Captain Cup, Mid-Week Monthly 9 & 18 Hole Medals etc. (Basically, anything run by North Berwick that is open to Tantallon members)
- Knockouts – this will display any knockout competitions, such as the West Links Seniors Knockouts that Tantallon Members are eligible for
- Open Competitions – this will display any Open competitions such as the West Links Seniors, North Berwick Cup etc
- Bass Rock – for joint Tantallon and Bass Rock members – these competitions will be displayed here

By clicking on the 'All Clubs' option, details such as those to the left below will be shown. When registration opens (1st March) for the Burns Shield – then clicking on the Burns Shield 'Button' will allow entry.

Clicking on the 'i' information icon will display competition details like those shown on the right
