Summary Rules

The first named club in any match shall have home advantage, except in the semi-final and final which shall be played at neutral venues

Each match shall be played as five scratch foursomes ties over 18 holes.

Where any tie finishes all square after 18 holes, play shall continue from the 1st tee on a sudden death basis, except that if the overall match has already been won, a tie finishing all square after 18 holes may be declared a half.

Matches must be played on the scheduled date. If this is not possible due to adverse weather a new date must be agreed with the league secretary. If a match remains unplayed by the date of the following round, both teams may be disqualified unless an extension is granted by the competitions committee.

The draw was made at the league AGM in September 2026
