

How to setup Club V1 Members App/Website?

The Club V1 Members Hub access will allow you to:

- view your bar balance & recent till transactions
- ability to edit your own privacy settings,
- enter knockout results
- top up your card balance.
- You will also be able to access members list.

You can access the Hub in two different ways: via an App or webpage.

Via an App:

Download the android or Apple IOS app from the appstore. Search for 'ClubV1 Members Hub' or click the relevant link below:

Android:<https://play.google.com/store/apps/details?id=com.clubsystems.clubv1hub>

Apple:<https://itunes.apple.com/gb/app/clubv1-members-hub/id1247886260?mt=8>

To use the APP, members must login using their existing HowDidiDo details, or they can register for an account if haven't used HowDidiDo before (see below).

Via a webpage (<https://tantallon.hub.clubv1.com>)

Important information: In order to verify that you are a registered member of the Golf Club, you will be prompted to verify the membership information. The email address you log in with must match what the club has on record for you.

On 1st launch you will be asked to scan for your club. You will also be asked to verify the 1st line of the address (The address stored in ClubV1 at the Golf Club). You will be sent an email to confirm the validity of your email address. Once activated, you will be able to login.

If you already have HowDidiDo you will have a Passport account if not you need to register for HowDidiDo Passport account here if you have a handicap

<https://www.howdido.com/Account/Register> or you can also register here if you do not have handicap record at the Club <https://passport.howdido.com/Account/Register>.

Please ensure you register using the exact same email address that the Club have for you on our System.
