1. It does not fall on any one player/pair to arrange the tie.
2. Both players/pairs are equally responsible for ensuring that the tie is played by the due date.
3. If a tie is all square after 18 holes then sudden death will be played, with strokes being taken where appropriate.
4. Players unable to play due to illness or injury should concede the tie to their opponents.
5. In the event of any tie not being completed by the due date then all players will be scratched from the competition.

**No extensions will be given.**

Remember - the '7 day rule' does not apply when booking a tee time to play in an official Tantallon match play tie.

As in previous years, a condition of entry is that, all entrants for the knockout competitions should ensure their contact details are visible on Club V1, via the Privacy Settings before 28th March. This is essential so that when drawn together, you, and your opponents, will get each other's contact details to enable ties to be arranged.

In event of any dispute, the decision of the Match and Handicap Committee will be final.

The closing date for entries for the above competitions is Thursday 28th March 2024

It is a condition of entry to all of the matchplay competitions that entrants are required to update their Privacy Settings on Club V1 to make their contact details visible to all entrants. Please check this has been done and if not follow the instructions below to set.
