Mundesley Golf Club may change these Terms and Conditions from time to time, but we will always post these changes on our website and members will be notified by email and post where email is not possible. Members are respectfully reminded of their obligation to observe all rules and conditions set out in the Articles of Association and by the Directors of the Club. You can use the Club facilities in accordance with your membership category.

#### **1.0 FEES**

##### **1.1 Amount**

All Members must pay a Membership Fee annually, according to the category of Membership, chosen at the time of joining. Mundesley Golf Club reserves the right to vary the Membership Fee annually in accordance with the Articles of Association. The fees, as well as any privileges and restrictions that may apply to the use of the Club facilities shall be determined by the category of Membership purchased by the Member. Membership joining, administration and subscription fees are non-refundable. Membership charges are subject to annual review, all changes are to be displayed on the Club notice board.

##### **1.2 Membership Subscriptions**

Members have a choice to pay their fees either monthly in advance via Direct Debit, allowing the Members to spread the full year's Membership Fee over the course of a 10 month period, or in full for the commitment period, and then annually thereafter via cash, cheque, Direct Debit or selected credit cards. The type of payment is elected by the Member.

##### **1.3 Initial Payment**

The Initial payment, which includes the Administration and Affiliation Fees, pro-rata payment for the current month, first monthly or annual Membership fee (where applicable), shall be due on the first day of the date of acceptance of Membership. Should the member choose to pay by Direct Debit and there be insufficient time to activate the bank mandate (approximately 15 days) the joining member will be asked to pay for the subsequent month in advance.

### **1.4 Direct Debit Payments**

1.4.1 All Direct Debit collections will take place on or just after 1st of each month unless otherwise advised. Where the 1st of the month falls on a weekend or a bank holiday, payment will be collected from the member's bank account on the next available banking day. Should the annual membership payments by Direct Debit instalments be broken, the outstanding balance of the subscription for the current period will become immediately payable in full.

1.4.2 Monthly Direct Debit payments include an administration charge to reflect that the annual Membership subscription is being paid by instalments. Your monthly instalments include this charge with monthly payments. This administration charge is subject to annual review.

### **1.5 Missed and Late Payments**

Member status is maintained provided the Membership is current and fully paid up, or payment arrangements acceptable to the Club have been made, otherwise the access to the Club premises may be refused. Once outstanding fees have been met in full, normal access rights will be reinstated.

### **1.6 Direct Debit Rejections and Cancellations**

Should a Direct Debit fail to be collected due to insufficient funds, a second attempt will be made to draw the overdue subscription within 10 working days. Should this second attempt also fail, an attempt to draw a double payment in the following month's Direct Debit collection will be made. Should a Direct Debit fail to be collected due to cancellation, a letter will be sent requesting payment for current month together with a replacement mandate.
