

# Onneley Golf Club

## Society Package 2026

Our 18 hole course is one of the hidden gems of Staffordshire, it is an idyllic parkland course in a peaceful rural setting.

Onneley Golf Club offers a relaxing and rewarding experience for all levels of golfer, with superb panoramic views across the counties of Staffordshire, Cheshire and Shropshire and across to the Welsh Hills. Although not the longest course in the area at 5,728 yards, it does favour the straight, rather than long hitters and offers a good test of golf.

There is a practice putting green and nets close to the Club House as well as a practice area which is a short walk away next to the 18th Tee. Whether it is before or after your round, you can be assured of a warm welcome from our helpful and attentive staff in the Club House. As a private members' club, we are very proud of the high standards we maintain and of the facilities we can offer to visitors and societies.

Please note that we operate a strict dress code that must be adhered to both on the course and in the clubhouse. Your co-operation is appreciated.

We welcome visiting parties at our friendly club & look forward to meeting you in 2026.

We are ideally situated only 20 minutes from M6 junctions 15 and 16, on the A525 between Newcastle-under-Lyme and Woore.

Onneley welcomes visiting societies, either for golf only or with catering included

For smaller parties and visitors, tee times are available Monday – Friday, or Saturday - Sunday after 11am. We require everyone to book a tee time in advance. We ask that booking requests are made at least three days and not more than a week before play at office@onneleygolfclub.co.uk.
