

Applying to join a team using the old clubv1 app.

‘Why use Team Manager’

Team Manager helps captains build squads quickly and fairly. Applying to join a team shows your interest and makes sure you’re considered for selection.

1. Open the ClubV1 Members Hub App.

Tap the ClubV1 Members Hub icon on your phone (you will land on the Home Screen).

2. Tap the Menu Icon.

On most phones it’s the three horizontal lines (≡) in the top right.

3. Tap “Club Teams”

This opens the area where all teams are displayed, My Teams and Available Teams are listed.

4. You are looking for ‘Available Teams’

Select the drop-down arrow in the top right of the team box and tap on ‘View Team Details’.

5. Tap “Apply to Join”

If the team allows applications, you’ll see an “Apply to Join” button.

Tap it once — your request goes straight to the team captain.

6. Wait for Confirmation

Captains review applications and may contact you directly.

Once accepted, you’ll appear in the squad list and can set your availability for fixtures.

Helpful Tips

- You can apply to more than one team.
- If you don’t see the “Apply to Join” button, contact the team captain or club admin.
- Keep your contact details in the app up to date.
