

# Buckinghamshire County Ladies Golf Association

## CHAMPION OF CHAMPIONS 2021

### TERMS OF COMPETITION

1. The competition shall be played according to the general BCLGA "Local Rules, Terms of Competition and General Regulations".
2. The competition shall be open to 2020 Club Scratch Champions of all clubs affiliated to the Buckinghamshire County Ladies Golf Association. A player may only represent one club during the competition. No substitutions are allowed if the Club Champion is not available to play. Note that if a club did not hold a Club Scratch Championship in 2020, the 2019 Club Scratch Champion from that club is eligible to play in the 2021 competition.
3. The Management of the competition shall be vested in the Competition Organiser appointed by the Executive Committee. Any dispute must be put in writing to the Competition Organiser, who may refer to the Executive Committee for a decision, whose decision shall be final.
4. To be played as a Knockout Singles Competition.
5. Matches shall be played off scratch. The players with the four lowest Handicap Indices will be seeded.
6. The venue for the matches, except for the final, shall be the "home" club of one of the players. The first round draw will be done by the Competition Organiser, with the first named player(s) having home advantage.  
For the second round draw onwards, home advantage is decided by the organiser using the following algorithm: a) if one player had a home draw in round one and the second player had an away draw in round one, then the second player is given home advantage in round two. b) if both players had the same advantage in round one, then home advantage in round two is decided by the organiser by the toss of a coin.  
For the third round onwards – a similar pattern applies, if one player has not had a home advantage then they are given it in round three, but if both players have had the same advantage in the first two rounds, then the organiser decides by the toss of a coin.
7. The 'home' club of each player must be the club that she is representing in the competition. If the player is no longer a member of the club that she is representing, then she must either arrange to play home matches at that club (at no additional cost to her opponent), or she must forfeit her home advantage.
8. Permission to play must be obtained from the Secretary of the "home" club, the cost of the green fee, if any, being shared by the players.
9. The final shall be played on a neutral course. The course and date of the final to be arranged by the Competition Organiser.
10. The winner of each match must notify the Competition Organiser of the result and the date the match was played within 48 hours of the completion of the match. Competitors not complying with this rule will be disqualified.

11. Responsibility for arranging matches is shared jointly between the two players, who must agree a mutually convenient date between themselves. However, if the “Home” player does not contact her opponent within 7 days of the start of the current Round then she shall forfeit the automatic right to the “Home” venue.

12. The competition dates for 2021 are as follows:

Round 1 must be played between	17 <sup>th</sup> May	27 <sup>th</sup> June
Round 2 must be played between	28 <sup>th</sup> June	8 <sup>th</sup> August
Semi-Finals must be played between	9 <sup>th</sup> August	12 <sup>th</sup> September

In order to retain Home advantage, the Home player must contact her opponent ON or BEFORE the following dates:

Round 1 by	23 <sup>rd</sup> May
Round 2 by	4 <sup>th</sup> July
Semi-Finals by	15 <sup>th</sup> August

After these dates, whichever player makes initial contact may claim the Home advantage.

13. After consultation with the Competition Organiser, if a player who has played a previous round withdraws from the competition, then the beaten player from the previous round can be offered the opportunity to be re-instated, providing there is at least 2 weeks left for the match to be played and a mutually agreeable date can be found. However, if no mutually agreeable date can be found within the two-week period or if there is less than two weeks left to arrange a match, then the player who would have played the withdrawn player has a walkover.
14. Extensions will not be given unless both courses are closed or unavailable on the last day of the round, in which case the Competition Organiser must be contacted to approve an extension.
15. If a match has not been played by the last day of the round, or the players fail to agree a mutually convenient date, BOTH players will normally be disqualified following consultation with the Competition Organiser.

**Additional Rule for all Knockouts:**

Juniors are welcome to enter county knockouts, however parents/guardians are reminded that it is their responsibility to arrange for safeguarding of their child.

For each match a 'responsible adult' must be nominated (be it a parent or any other nominated adult) who will be responsible for the junior for the duration of the match. The 'responsible adult' must have details of emergency contact information and any special medical needs of the junior. The junior and her opponent must be provided with the contact telephone number of the nominated 'responsible adult'.

Note: 'duration of the match' includes the time from a junior being dropped off by parents/guardians to their collection by parents/guardians.

In accordance with item B4 In BCLGA Local Rules, Terms of the Competition and General Regulations, a player must not practice on the competition course before or between rounds.
