

Buckinghamshire County Ladies Golf Association

BUCKS CHALLENGE SHIELD 2022

TERMS OF THE COMPETITION

1. The Competition shall be played according to the Buckinghamshire County Ladies Golf Association (BCLGA) Local Rules and Terms of the Competition.
2. The Competition shall be open to all Clubs affiliated to the BCLGA. Players must be members of the Club they are representing and may only represent one Club in this Competition within any calendar year. Clubs with smaller ladies' sections (up to 40 members) may join with another "small" Club to create a 'composite team' - the Club to be used for home matches must be recorded on the Entry Form.
3. The Management of the Competition shall be vested in the Organiser appointed by the Executive Committee. Any dispute must be put in writing to the Organiser, who may refer to the Executive Committee for a decision, whose decision will be final.
4. To be played as an Inter-Club Singles Knockout Competition.
5. Teams to consist of seven-a-side. The team must play in handicap order, where Handicap Index is used to determine the order. A Club may vary its team from match to match and from the Home leg of the match to the Away leg. Each member of the team is required to have played in at least 2 matches prior to the Final.
6. If one player in a team is unavoidably detained and not ready to play when it is their tee time, the two captains can agree to leave that particular game to the end of the tee times. However, if the missing player is not available to tee off within 5 minutes of the final tee time, that particular game is forfeited. In the event of this happening in the Final, then this decision will be at the discretion of the Referee.
7. All rounds and the semi-final are to be played Home and Away legs.
8. If a player has a walkover then that player is deemed to have played a round. The result of the match will be recorded as 10&8. The person giving the walkover will not be deemed as having played.
9. If any game in the first 4 rounds finishes "All Square" on the 18th green, the game is halved. For the Final the players must proceed without delay to continue play from the 1st tee of the stipulated course of the day and continue until one player wins the game.
10. The Club going through to the next round shall be decided:
 - When one team wins 8 or more games over the combined home and away legs of the match, play can be stopped in subsequent games.
 - In the event of a tie, there will be a countback on the number of holes won by each Club over the total from all 14 games played. (An example is given on the "Sample Result Sheet".)
 - If there is still no clear winner, the team qualifying for the next round shall be decided by sudden death play-off. The lowest handicap players from each team in the second leg shall play sudden death play-off from the first tee to a conclusion.

11. Matches shall be played off current handicap. Handicap allowances are calculated according to the WHS handicapping system as implemented by England Golf. Stroke allowance is 100% of the difference between the Course Handicaps of the players.
12. The Course Handicap for each player shall be determined using her Handicap Index on the day of the match and the Slope rating of the course to be played.
13. The maximum Handicap Index for the Competition is 22.0, players with a higher Handicap Index may play, but will be allocated a Handicap Index of 22.0 for the purpose of the Competition.
14. The draw for each round will be made at a County Delegates, Vice Captains or Executive Meeting. If there is no meeting at a suitable date, the draw can be made by two Executive Members who must be members of different Clubs and neither of their Clubs may be involved in the draw.
15. The Final will be played at a venue which is arranged and publicised at the beginning of the Competition. If the Final venue is the home Club of one of the finalists, the venue WILL NOT be changed.
16. The entry fee, as determined by the Executive Committee, shall be paid before the draw.
17. **For the first 4 rounds, the Captain of the winning team must send the result of the match to the Organiser within 48 hours of completion of the second leg of the match. Teams not complying with this rule will be disqualified.**
18. Advice in Match Play Team Competitions:
 - Each team may name one Advice Giver from whom team players may seek advice during the round.
 - The team must identify the Advice Giver to the opposing team and to the Competition Organiser (if applicable) before any player on the team begins her round. The team may change its Advice Giver during the round but must tell the opposing team and Competition Organiser when it is doing so. A different person may be appointed for each leg of the match.
 - The Advice Giver must not point out a line of play or walk on the putting green when the ball of a team player lies on the putting green.
 - Note that if a team's Advice Giver is also a player or caddie in the match, she is not allowed to act in that role while playing a round in the match.
 - The Advice Giver has the same status as a member of the team in relation to each member of his or her team.
19. The home team must offer three dates, to cover both weekend and weekday dates with no more than two dates in the same seven-day period. Bank holidays count as weekend dates. The Home and Away legs of the match can be played in any order.
20. Extensions will not be given unless both courses are closed or unavailable on the last day of the round, in which case the Competition Organiser must be contacted to approve an extension.
21. If a match has not been played by the last day of the round, BOTH teams will normally be disqualified following consultation with the Competition Organiser.
22. A match may only be suspended in the event of the course being closed or due to thunder and lightning. If the course is not closed but the conditions are considered by both teams to be dangerous e.g. strong gales or extreme fog, then the match may be suspended. Matches cannot be suspended for any other reason – e.g. too hot, cold or wet.
23. If the match is suspended after a ball has been played in any game, the results of any completed games shall stand. Any incomplete games shall continue from the place of suspension. Play should resume later, on the same day or, if necessary, as soon as possible after the original date of the

match. Only the original seven players who were involved on each side are to take part in the match on the rearranged date.

24. If the match has been suspended before any shot has been played, then the match may be rearranged on a new date with a new team.

Safeguarding

Clubs who include juniors in their teams are reminded of their statutory safeguarding responsibilities. Please be sure to follow the appropriate guidelines and ensure parental consent is obtained for those juniors involved, particularly if the junior is transported to an 'away' venue.

For each match a 'responsible adult' must be nominated (be it a parent, the team captain or another adult team member) who will be responsible for the junior for the duration of the match. The 'responsible adult' must have details of emergency contact information and any special medical needs of the junior. The captains of both teams, plus the junior and her opponent must be provided with the contact telephone number of the nominated 'responsible adult'.

Note: 'duration of the match' includes the time from a junior being dropped off by parents/guardians to their collection by parents/guardians.

Appropriate advice and/or information can be obtained from your Club's Safeguarding Officer.
