

BUCKINGHAMSHIRE COUNTY LADIES GOLF ASSOCIATION

England Golf Voting Member

We are in the enviable position of having two members of our current Executive (Christine Bishop and Susanna Mitterer) interested in the role of our England Golf Voting Member role, which fell vacant earlier in the year when Phillipa Cook was elected to the main Board of Directors of England Golf. We have notified Delegates of the vacancy through the delegates meetings and have received no other expressions of interest. The entire Executive supports both candidates equally. We will therefore hold a ballot at the AGM. Personal statements from the two candidates, the current role description and ballot papers will be available at the AGM.

The current job description is set out below for your advance perusal.
