

WINTER SCRATCH LEAGUE TERMS OF THE COMPETITION

1. General Condition:

The Competition will be played according to the BCLGA "Local Rules and Terms of the Competition and General Regulations"

2. The League will be called the Winter Scratch League.

3. League membership will be open to all Clubs affiliated to the County Association. The Executive Committee will determine the entry fee.

4. Players must be members of Clubs affiliated to BCLGA. A player may only represent one Club in any one season.

5. The Management of the Leagues is vested in the League Organiser appointed by the Executive Committee. Any dispute is to be put in writing to the League Organiser, who may refer to the Executive Committee for a decision.

6. When entries for the League necessitate the formation of Divisions, the League Organiser will arrange the Divisions as deemed appropriate, subject to the following provisions:

- Maximum of 7 Clubs in any one Division.
- League Organiser will decide numbers for promotion and demotion between Divisions. To even out the number of Clubs in each Division, promotions/demotions will be finalised only when the entrants for the following year are known.
- Clubs remaining in the same Division and to alternate home and away fixtures, if possible.
- A Division comprising 4 or fewer Teams will contest on a home and away basis. A Division comprising 5, 6 or 7 Teams will only play each other once.

7. The following rules will govern play:

- A Team will consist of 6 players (3 pairs).
- All matches are to be played off scratch.
- All matches are to be played as a Greensome Foursome.
- Players may be played in any order regardless of handicap.
- Players and pairings may be altered for each match.
- A game that is All Square, after 18 holes, will be halved.
- Points will be awarded for individual games as follows: Win – 2 points, Halved – 1 point, Loss – 0 points.

8. All matches are to be completed between October and March; the actual dates are to be decided by the Executive Committee.
9. If a match has to be postponed due to bad weather, an extension to the time period may be given on consultation with the League Organiser.
10. If a match has to be stopped before a conclusion, due to course closure, or thunder and lightning, or it is considered by both teams that the conditions are dangerous, e.g. strong gales or extreme fog, then the match may be stopped. (With regard to fog, as a general rule players should not play if visibility is reduced to a point where they are unable to see their ball land). Matches cannot be stopped for any other reason – e.g. too hot, cold or wet. If the match cannot be continued on the day either:
 - If all players have completed nine holes, the result of the matches will be deemed to be as at the point of suspension, each match result being recorded as the number of holes up or down.
 - If all players have not completed nine holes, then the match is to be abandoned and re-arranged on a new date, if necessary, with a new team. In the event of a match having to be rescheduled an extension to the time period may be given on consultation with the League Organiser.

11. Advice in Match Play Team Competitions:

The Local Rule allowing appointment of an Advice Giver in Match Play Team Competitions will be in force for this Competition.

12. The Captain of the HOME team must notify the League Organiser of the result within 48 hours of completion of the match.
13. The HOME Club must offer the opponents at least three dates falling within the time period allocated for the round. Specifically, the three dates are to include:
 - One weekend date.
 - One weekday date.

Thus, to ensure the three dates, the above could be 2 weekend dates and one weekday or 2 weekday dates and one weekend date. In addition, all three dates must not be within a single 7-day period.

14. Walk overs are only to be given, or accepted, in exceptional circumstances and only after consultation with the League Organiser. The League Organiser may grant an extension to the time period allocated for the Round in order to facilitate the match being played. If a walk-over is given, by a Club, that Club will be placed at the bottom of the Division and all matches involving that Club will be deemed null and void; any points having been scored will be discarded.

15. The teams recording the highest number of points in their Division will be the winner of that Division. In the case of a tie in the Premier Division, a final will be played on a neutral course to determine the League Champions. In all other Divisions where two teams have equal points, the team with the highest number of individual wins will take preference. In the event of tie, a count back will be completed on the total number of holes won minus holes lost. In the event that there is still a tie, a count-back will be done on the total number of holes won minus holes lost in the last of the three games in all the matches played.
16. Clubs may enter two teams into the Winter League. When a new or 2nd team is entered into the League, the team will start in the bottom Division.
17. The following rules apply to movement between teams.
 - i) If a Club has two teams in the Winter League, players should be allocated to the two teams based on the Club's perceived ability of the player.
A player's 'nominated team' in the Winter League will be the first team they play for in the season.
A player cannot play for a team in the Winter League in the same or a lower Division than her 'nominated team'.
A player can play for a team in the Winter League in a higher Division than her 'nominated team' no more than TWICE in a season.
 - ii) If a player is deemed to have played outside of these rules, the opposition will be declared as the winners with a result of '10 & 8' and awarded 2 points.

Additional Rules:

Clubs who include juniors in their teams are reminded of their Safeguarding responsibilities. Please be sure to follow the appropriate guidelines and ensure parental consent is obtained for those Juniors involved, particularly if the Junior is transported to an 'away' venue.

For each match, a 'responsible adult' must be nominated (be it a parent, the team captain or another adult team member) who will be responsible for the junior for the duration of the match. The 'responsible adult' must have details of emergency contact information and any special medical needs of the junior. The captains of both teams, plus the junior and her opponent must be provided with the contact telephone number of the nominated 'responsible adult'.

Note: 'Duration of the match' includes the time from a junior being dropped off by parents/guardians to their collection by parents/guardians.

Appropriate advice and/or information can be obtained from your Club's Safeguarding Officer.

In accordance with item B4 in BCLGA Local Rules, Terms of the Competition and General Regulations, a player must not practice on the competition course before or between rounds.
