

Buckinghamshire County Ladies Golf Association

WINTER FOURSOMES KNOCKOUT TROPHY

TERMS OF THE COMPETITION

1. The competition shall be played according to the BCLGA "Local Rules, Terms of the Competition and General Regulations".
2. The competition shall be played according to any BCLGA Covid 19 Measures effective at the date of the match.
3. The competition shall be open to all Members of the Buckinghamshire County Ladies Golf Association. All matches in the competition must be played at clubs that are affiliated to BCLGA.
4. The Management of the competition shall be vested in the Competition Organiser appointed by the Executive Committee. Any dispute must be put in writing to the Competition Organiser, who may refer to the Executive Committee for a decision, whose decision shall be final.
5. To be played as a Knockout Foursomes Match Play Competition.
6. Matches shall be played off handicap. Handicap allowances are calculated according to the WHS handicapping system as implemented by England Golf. Stroke allowance is 100% of the difference between the Playing Handicap of each pair.
7. The Playing Handicap for a pair shall be determined as follows:
 - a) Calculate the Course Handicap for each player using her Handicap Index on the day of the match and the Slope Rating for the course to be played
 - b) Calculate the Playing Handicap for the pair by taking 50% of the combined Course Handicaps with $\frac{1}{2}$ shots rounded up.
8. The venue for the matches, except for the final, shall be the "home" club of one of the players. The first round draw will be done by automated software with the first named pair having home advantage.

For the second round draw onwards, home advantage is decided by the organiser using the following algorithm: a) if one pair had a home draw in round one and the second pair had an away draw in round one, then the second pair is given home advantage in round two. b) if both pairs had the same advantage in round one, then home advantage in round two is decided by the organiser by the toss of a coin.

For the third round onwards – a similar pattern applies, if one pair has not had a home advantage then they are given It in round three, but if both pairs have had the same advantage in the first two rounds, then the organiser decides by the toss of a coin. To retain 'home advantage' the home pair must make contact the opposition with suggested dates, within 7 days of the start of each round.

9. Pairs need not be members of the same club, however if they are members of different clubs, they must nominate their 'home' club for the competition on the entry form. Once a pair has played a 'home' match in the competition, they cannot change their 'home' club unless BOTH players are no longer members of the club. Permission to play must be obtained from the Secretary of the Club, the cost of the green fee, if any, being shared by the players.
10. The final shall be played on a neutral course. The course and date of the final to be arranged by the Competition Organiser.
11. The winners of each match must notify the Competition Organiser of the result and the date the match was played within 48 hours of the completion of the match. Competitors not complying with this rule will be disqualified.
12. Responsibility for arranging matches is shared jointly between the two pairs, who must agree a mutually convenient date between themselves. Players are asked to be as flexible as possible with availability.
13. Extensions will not be given unless both courses are closed or unavailable on the last day of the round, in which case the Competition Organiser must be contacted to approve an extension.
14. If a match has not been played by the last day of the round, or the pairs fail to agree a mutually convenient date, BOTH pairs will normally be disqualified following consultation with the Competition Organiser.
15. After consultation with the Competition Organiser, to avoid a pair being given a walk-over, the losing pair in the previous round may be permitted to be substituted for the pair who would be giving the walk-over.
