### Match Result: Bucks Won: 6-3

We were very lucky with the weather after some nasty rain and wind – the sun shone at Harewood Downs. The course was a difficult test of golf – with some very tricky pin positions and bounces but it was in fabulous condition and we are grateful to Harewood for allowing us to use their wonderful venue. The morning foursomes were tight, with the middle match almost snatching a half from 5 dormie but ultimately Oxfordshire came out on top. The lunchtime break obviously favoured Bucks who came out firing on all cylinders. Some fantastic results against tough opposition, several of whom were going to county week to play for the Oxon 1<sup>st</sup> team. Four wins and 2 halves was a tremendous result which gave Bucks the overall win.
