

BUCKINGHAMSHIRE COUNTY LADIES GOLF ASSOCIATION

Summary of Key Points from BCLGA Executive Meeting 20th July 2022 at Beaconsfield GC

Womens Regional Structure

Susanna has collated input from exec members on their views of the regional structure to pass on to the EG working group.

Unification

Initial meeting with Berkshire Ladies and Oxfordshire Ladies to be arranged. Janet will represent Bucks.

Vacancies

We have received applications for Treasurer and Second Team Captain.

No progress on Welfare Officer or Competitions Assistant.

Handicap Limits

There was a discussion on handicap limits. Mainly an issue in matchplay – so Bucks Shield and Knockouts and especially if playing at courses with a high slope rating. Need to encourage people to submit cards so that their handicaps are reflective of their current ability.

Centenary 2023

Work on honours boards, coordinated by JM is progressing.

The initial venue suggested for a Gala Day cannot host the day. JB has spoken to an alternative and is awaiting news.

English Womens Champion Club

England Golf have confirmed that there will be a Women's Champion Club competition in 2023. This will take place in early September 2023. Agreed that the Buckinghamshire representative for the 2023 competition will be the club that wins the Premier Division of the Silver Scratch League in 2022.

Competitions

Draw for semi-finals of Bucks Shield was made and posted to the web site.

Par 3 competition was great fun, but only 12 entries. Will run again in 2023 to see if it is more popular.

Summer Meeting went well with 19 teams entered.

Agreed that we will run an 18 hole Spring Meeting next year, this will have scratch and handicap prizes with the best 8 scratch scores going forward to matchplay for the county championships. This will replace the 36 hole county championships qualifier. JB will look for a venue.

Seniors

Midlands South Seniors Championship went well with 51 entries.

Still having trouble getting people to play in matches.

Second Team

Nothing to report.

Juniors

Junior Summer Meeting was cancelled due to lack of entries.

Tiddler Trophy has been postponed due to lack of entries.

Handicap Advisor

Little to report.

Next Meeting

The next exec meeting will be on Wednesday 28th September at Oakland Park.
