Boyce Hill Ladies

Ladies have been playing golf at Boyce Hill since the Club started in 1922 and we pride ourselves on being a very friendly bunch who warmly welcome new players to the game.

We have an active and friendly membership that caters for ladies interested in social play and also for those who like to play some competitive golf. Our ladies enjoy a busy social diary which includes things such as away days to other courses which are always popular.

New members are always welcome into the club, regardless of whether you are a novice golfer who has not yet acquired a handicap, a lapsed player looking to play an occasional social round or an experienced golfer with a current handicap. The golf course is challenging but not too long, especially from our new black tee's and we are lucky to be able to play all year round on amazing greens.

Our Lady Captain would be particularly pleased to welcome any prospective new members to Boyce Hill Golf Club. If you are considering joining the club, the academy detailed overleaf or are interested in playing a round as a guest of a lady member, please give the Club Office a call on 01268 793 625 and ask for Margaret.

We hope to welcome you to our Club soon!

Who is it for?

Ladies who are new to the game, occasional golfers or lapsed golfers who are interested in playing golf and joining Boyce Hill Golf Club. We recognise that joining a golf club, particularly such an established club as ours, can be a daunting prospect. We would like to take the intimidation away by improving your golf and confidence, gradually introducing you to the golf club and our friendly members at your own pace, by learning both individually and in groups.
