East of Ireland Report and Photos

The sun went down on Sunday Evening, as the **2025 East of Ireland Championship** drew to a close. It was welcome to see the sun, as wind was the dominant weather component over the weekend, along with some heavy downpours. Conditions were tough, and in the first 2 days, the morning and evening draws saw different seasons..

Our Locals did us very proud.. and at one stage on the Sunday morning, on top of the leaderboard were Co. Louth Members, **Stuart Grehan**, **Gerard Dunne** and **Gavin Tiernan**. But our fairytale ending will have to wait another year..

2025 belonged to **David Howard**, of **Fota Island Golf Club in Cork**, aged 26, having taken up golf at 18. He had stayed all weekend in a campervan in the Car Park. His Dad was on the bag and David didn't know until the final putt was in, that he had won.. Having played some fantastic golf down the last stretch of holes, in particular, **he was a very worthy winner**.

Congratulations to **Gerard Dunne** for collecting the Silver Salver for the lowest score of the tournament, with a fantastic 64 on the Friday.

Huge Thanks to all the members that turned out to volunteer for ball spotting.

Our Social Evening after the Presentation was a huge success with singing and dancing into the wee hours. The Sunday night of the "East" is Back!

And finally our biggest Thank You to our brilliant Greenkeeping, Pro shop, Golf operations, Restaurant and Bar staff, the weekend couldnt have happened without your commitment.
