Walker Cup 2025

Last Saturday and Sunday in Cypress Point, USA, **Stuart Grehan** and **Gavin Tiernan** played their hearts out for GB & I in the 50th Walker Cup.

Both lads contributed to the points on the board for GB&I with Stuart getting 1.5 points over the 2 days and Gavin getting the only Singles match point for GB&I on the Sunday.

What a fantastic experience, the whole week must have been for Stuart and Gavin and indeed for their families, the Captain and other members that took the long haul journey to cheer the lads on.

At home their Senior cup and Barton Shield team mates and family gathered in the club in Baltray, to watch the coverage and enjoy the occasion. Next year the Walker Cup is in Lahinch. So let's hope we can get the trophy back to home soil then.

Well Done Lads, the club is very proud of you both.

Gerard Dunne is in Spain representing Ireland in the European Men's Mid Am Team Championships. Currently Ireland is on top of the Leaderboard after Day 1 of Strokeplay Qualifying. If they maintain their position today they will secure the top seed for the match play at the weekend.
