Junior Competitions

A huge congratulations to Daniel O'Brien, representing Portmarnock Community School, on being crowned World Schools Golf Champion in Scotland this week. Daniel's success on the global stage is another proud moment for all of us in County Louth.

It's an amazing achievement from our 2025 Junior Captain, flying the flag for his school, and his club. Well done, Daniel, you've made us all very proud!

- We were super proud of our U18, U15, and U13 Monarch teams who competed in Greenore on Sunday. The weather and conditions were incredibly tough.
- A special mention goes to our girls team, who lifted the Moore Family Trophy in their very first year competing for it — an incredible achievement and one that made the whole club beam with pride.
- Once again, our junior teams have shown the talent, teamwork, and determination that make County Louth so special. The future is bright, and we're already looking forward to our 2026 campaigns!
- We are delighted to announce that the Junior Captains Prize Day will be held on Saturday, 27th September. This special day will also feature the presentations for the Summer League and the Golf Sixes competition, all taking place alongside the Junior Captains Prize.
- We warmly invite all juniors and their families to join us in celebrating a fantastic season of golf.
