

The poster has a solid red background. At the top and bottom corners, there are white dominoes with black dots. A string of yellow lights with small circular bulbs is draped across the top. In the center is a large, red, diamond-shaped sign with a white border and a row of yellow lights around its perimeter. Inside the sign, the word "DOMINO" is written in large, white, bold, sans-serif capital letters, and the word "DRIVE" is written below it in a yellow, cursive script font.
